About us

Al-Bayan Al-Wadih is a Saudi law company built on a simple idea: clients should understand their legal position with complete clarity before making any decision.

Our name means "the clear statement": words that reveal meaning and remove doubt. In every consultation, contract and case we commit to explaining options, risks and costs in language our clients understand, without ambiguity or unrealistic promises.

We serve Saudi individuals and companies, and guide foreign investors into the Saudi market in three languages: Arabic, English and Chinese.

Our vision

To be the company chosen when precision and clarity matter most, for Saudi clients and international investors alike.

Our mission

To deliver meticulous legal services that protect our clients' rights and support their businesses, in clear language, with transparent fees and full commitment to professional ethics.

Our values

Clarity

We explain the law, your options and the cost without ambiguity.

Integrity

We tell you the real prospects of your case, even when it is not what you hoped to hear.

Confidentiality

Your information and documents are held in trust to the highest standards.

Precision

Careful legal work, reviewed by more than one lawyer before delivery.

Foreign Investor Services

From your first decision to opening day: we guide foreign investors through every step of entering the Saudi market with confidence, in their own language.

Your investment journey with us

1. **Initial consultation** · We understand your business and plans, and identify the right vehicle and sector requirements.
2. **Ministry of Investment registration** · We prepare the documents and follow the registration through to issue.
3. **Incorporation & commercial registration** · Articles of association, commercial registration and statutory subscriptions.
4. **Operations & compliance** · Employment contracts, residency permits, commercial contracts and ongoing governance.

What we do for investors

- **Registration & licensing** · Ministry of Investment (MISA) registration and sector regulator licences.
- **Entity set-up** · LLCs, simplified joint stock companies and branches of foreign companies.
- **Regional headquarters** · Regional HQ programme requirements and associated incentives.
- **Premium Residency** · Eligibility assessment and applications for investors and talent.
- **Bilingual contracts** · Matching Arabic–English contracts and review of translations into other languages, such as Chinese.
- **Protecting your investment** · Arbitration clauses, dispute resolution and trademark protection.

> **Foreign Investor Desk** · We serve investors from every country, with China among our most active markets. Our team handles your file in Arabic, English and Chinese, working with certified legal translators, so everything stays clear for your board at home.
